

OUR MACHINERY RANGE

LASER MACHINE

High precision fiber laser cutting for metal sheets with superior speed and accuracy.

STANDARD TUBE LASER

Efficient cutting of round, square and rectangular tubes with high precision.

LASER WELDING

Advanced laser welding for strong, clean and precise welding.

CNC PRESS BRAKE

High performance CNC bending for metal sheets and plates.

PIPE CUTTING MACHINE

Specialized machine for high precision cutting of pipes and profiles.

GAINERS CONTROL

No. 2/167-A, Nadupalayam, Peedampalli Post,
Sulur Taluk, Coimbatore - 641 016.

98652 73073, 98422 23387, 98422 13449, 99769 56665

PC BOOTH

Dust-free and safe environment for laser cutting operations.

PC OVEN

High efficiency powder coating curing oven for durable finishes.

GAINERSSS
GROUP OF COMPANIES

**WHY CHOOSE
GAINERSSS
LASER?**

SPARES & ACCESSORIES

CHILLER

Maintains optimal temperature for laser performance.

SHUTTLE TABLE

Quick exchange table for faster cycle time.

SERVO STABILIZER

Ensures stable power supply and protects equipment.

LASER CUTTING HEAD

High precision cutting head for smooth and accurate results.

IN HOUSE
MANUFACTURING

HIGH PRECISION
TECHNOLOGY

RELIABLE &
DURABLE MACHINES

WIDE RANGE OF
SPARES & SUPPORT

EXPERT AFTER SALES
& SERVICE

LASER PIPE CUTTING HEAD

Reliable cutting head for consistent performance.

NOZZLES

High quality nozzles for clean and precise cutting.

CERAMIC PARTS

Durable ceramic components for long lasting performance.

LENS & MIRRORS

Premium quality optics for high beam quality and accuracy.
